

# CUTCO Knives

## *Made in America*

- ★ CUTCO Cutlery's only factory has been in Olean, New York, USA, since 1949.
- ★ CUTCO is the largest manufacturer and marketer of high-quality kitchen cutlery in North America.
- ★ CUTCO knives are manufactured in an area of New York state where cutlery-making roots date back to the late 19th century.
- ★ CUTCO has been purchased by more than 15 million people.

- ★ CUTCO won the 2002 AFL-CIO Union Label & Service Trades Department Labor-Management Award. Manufacturing employees are members of United Steelworkers of America Local 5429.

CUTCO's AFL-CIO Union Label & Service Trades Department Labor-Management Award is on display in Olean

- ★ Many CUTCO employees have been employed for over 25 years while some have surpassed 50 years.
- ★ CUTCO products carry a unique **Forever Guarantee**, which covers your lifetime and the lifetimes of those you hand your cutlery down to.

Some of CUTCO's manufacturing processes are done by hand by skilled craftspeople in the Olean, N.Y., factory.

Computer-controlled blade polishing

**Hand craftsmanship is combined with sophisticated computer manufacturing processes at CUTCO Cutlery.**

★ Several CUTCO products have been awarded "Member Tested and Recommended" Seals of Approval" from the Cooking Club of America, the National Home Gardening Club & Creative Home Arts Club.

★ Consumer Digest named CUTCO's Galley Set + 6 a "Best Buy."

Wood blocks for cutlery storage are made in Olean, too.

★ CUTCO is a member of the Direct Selling Association (DSA), American Edged Products Manufacturing Association (AEPMA), National Association of Manufacturers (NAM), International Association of Culinary Professionals (IACP) and American Culinary Federation (ACF).
